

SIMPLY CLEVER

**Škoda**Superb  
Genuine Accessories

# THE ŠKODA SUPERB PROVIDES PLENTY OF ROOM FOR OTHER FEATURES

There are certain things we know absolutely nothing about. Like what you do at the weekends for instance. Where you intend to go on holiday. Whether you have a family. Or will have at some point in the future. One thing we do know is that someone who drives a Škoda Superb is someone who values independence and individuality. Someone with a powerful sense of personality. So rather than asking about what you do in your spare time, we decided to provide you with an exceptional range of Superb genuine accessories that leaves you with all your options open. Take your time in choosing genuine products that will add the finishing visual and technical touches to your Škoda Superb. Ultimately, you want a car that reflects the way you live – truly original and unique.

# MUSIC & COMMUNICATION

**MS 303** car radio with auto-reverse cassette deck has a 4 x 20W output, tuner with RDS/EON, TA (traffic announcement function), configurable sound geometry plus a host of other features. (AAO 300 001)

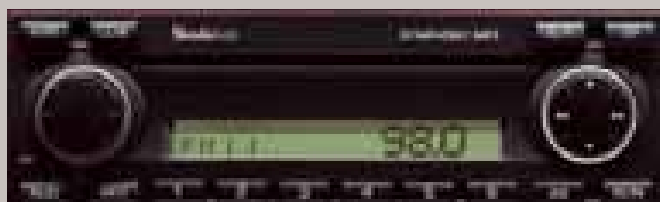

**Rhapsody** car radio is the top model in the Škoda Genuine Accessories sound system range. In addition to an advanced design plus the same functions as the Symphony radio with CD player it is equipped with DSP functionality, which adapts the sound to the car's interior for optimal acoustics. (AAO 500 001 – for guarantee purposes only)

**Symphony** car radio with auto-reverse cassette deck, SCAN functionality (track locator), tuner with RDS/EON and TA (traffic announcement function). The radio is compatible with a multifunctional steering wheel and CD changer (AAP 035 001). Station info and RDS messages appear in the driver's field of vision on the Maxi-DOT display. (AAO 300 002A)

DX navigation system, using a CD, accurately tracks the position of your vehicle and indicates the optimal route to your destination. (AAN 000 001)

**Symphony** car radio with CD and MP3 player has tuner with RDS/EON and TA (traffic announcement function). The radio is compatible with a multifunctional steering wheel and CD changer (AAP 035 001). Station info and RDS messages appear in the driver's field of vision on the Maxi-DOT display. (AAO 300 013)

6-CD changer, available for the Symphony car radio or a navigation system, can be installed in the luggage compartment.

(AAP 035 001)

Connecting cable for the installation of a CD changer.

(AZO 000 001)

The 6-CD box is a practical accessory for cars equipped with a CD changer. The box is placed in the luggage compartment and can be easily removed if you do not wish to leave it in a parked car.

(DMP 500 001)

Special mobile phone holder, only for selected phone models, is available for Superb equipped with universal mobile phone preparations GSM II or GSM III. (ATC 400 004-0XX)

# COMFORT & UTILITY

Rubber textile mat, just like the interior mats, helps keep the luggage compartment floor clean and tidy while preventing objects from sliding around. (DCD 500 001)

Plastic boot dish protects the luggage compartment against soiling or permanent damage. Cannot be used in combination with CargoFlex. (DCD 500 002)

Boot storage net secures small objects and pieces of luggage. (DMA 500 001)

4-piece set of foot mats is available in two textile versions and one rubber/textile version. Featured from the top down are the polypropylene mat (DCA 500 001), the rubber/textile mat (DCC 500 001) and the polyamide mat (DCA 500 002).

Mud flaps, fitted to the front and rear wheel housing, protect the paint and bodywork from mud, snow, gravel and stones. (KEA 500 001 – front, KEA 500 002 – rear, see photograph)

Cruise control is a device for maintaining a constant set speed, which you will especially appreciate on long journeys. Available for all versions. (BEA 500 002)

Independent heating, available for the 1.9 TDI/74 kW, 77 kW, 96 kW and 2.0 TDI/103 kW versions, ensures a pleasant temperature inside the vehicle even during winter months. Your Superb will await you preheated at the requested temperature. Scraping ice and brushing off snow will become a matter of the past. (BHW 500 004, BHW 500 014, BHW 500 020 – necessary for manually operable air conditioning system)  
Independent heating remote control. (BHW 000 002A)

The genuine Superb umbrella can be stowed in a practical WetCase compartment located in the left rear door of the Comfort and Elegance versions. It is designed in such a way that the water from the umbrella runs off outside of the vehicle. The umbrella can be opened and folded at the touch of a button. (MKA 500 001)

# TRANSPORT

The basic element of all the roof transportation systems is the aluminium profile roof rack (LAT 500 001). This rack is lockable, has a maximum load capacity of up to 100 kg and is easy to mount and remove. Depending on your particular requirements any of the following systems may be attached. Our range also includes a tow device for use with a braked trailer of up to 1,600 kg.

Lockable ski box for up to 5 pairs of skis or 4 snowboards.  
(LBT 009 001)

Lockable luggage box with a capacity of up to 360 litres.  
(LBT 009 002)

Lockable ski carrier with aluminium profile for safe transportation  
of up to 4 pairs of skis or 2 snowboards. (LBB 000 001)

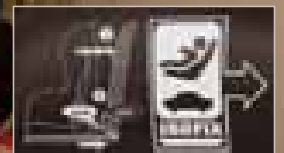

Lockable bicycle carrier with aluminium profile. (LBT 009 004)

Tow bar. (EEA 500 001, tow bar  
electrics EEA 500 001 EL4)

SAFETY

Patented ISOFIX system.

Child seat Easybob Maxi.  
(DDT 000 002A)

Child seat Isofix Duo Plus.  
(DDA 000 003A)

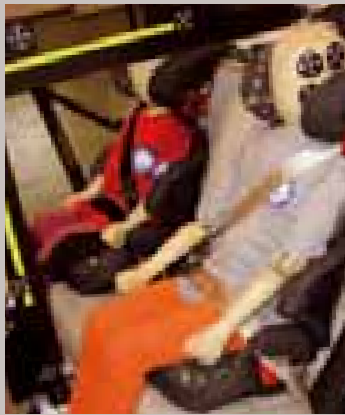

Child seat Kid.  
(DDA 000 004)

Child seat Wavo 1-2-3.  
(DDF 000 006)

Child seat Wavo Kind.  
(DDF 000 007)

Name	Category (according to weight in kg)			
	0+ (0–13)	1 (9–18)	2 (15–25)	3 (22–36)
Easybob Maxi	0–13			
Isofix Duo Plus		9–18		
Kid			15–36	
Wavo 1-2-3		9–36		
Wavo Kind			15–36	

The high quality and safety of the original Škoda child seats have been verified in demanding tests and simulations.

Low-profile titanium snow chains for safe driving on snow-covered roads are available for tyres 205/55 R16 with alloy wheels 6.0J x 16" Edelweiss or steel rims 6J x 16". (CEP 300 003A)

With the rear parking assistant you have enhanced control over your vehicle when reversing. The assistant gives an acoustic warning when getting too close to an obstacle. (BEA 500 001)

Car alarm with interior protection. (BKA 500 001)

Mechanical drive locking system enables you to lock both automatic and manual transmissions. Available in three versions: for 5-speed transmission (DVC 500 001 – see photograph), 6-speed transmission (DVC 500 002) and automatic transmission (DVC 500 003).

First aid box. (GFA 410 010DE)

Warning triangle. (GGA 430 001)

Car care products  
(for information on the complete range please visit your authorised Škoda partner).

Tow rope.  
(GAA 500 001)

Complete set of replacement light bulbs  
for versions with bi-xenon headlamps  
(BDB 500 002A) or conventional  
headlamps (BDB 500 001A).

**If your vehicle is equipped with xenon gas  
discharge lamps please have your bulbs  
replaced at your authorised Škoda partner.**

5-litre reserve fuel can with screw-on neck.  
(GDA 093 007 05)

Halogen lamp with an adapter for charging  
via a 12V socket.  
(GEA 093 013)

These products represent just a part of the wide range of Superb accessories. For more information on the complete range, current prices, delivery terms and lead times, contact your authorised Škoda partner.
